She Never Returned

Single · 25 October 2013 · Aenaos Records
Genre: Post-Punk / Dream Pop · UPC 3610153907698

In May this year, the Swedish post-punk / shoegaze band Principe Valiente, left the door to their new album a little ajar, allowing a glimpse of the collaboration with producer Niklas Björklund and star producer Ed Buller, who was responsible for mixing and mastering their first single “Take Me With You”.

“She Never Returned” is now the second single of this collaboration, proving that the band continues to carve out their own path with excellent consistency. Without sinking into depression, Principe Valiente combine their stylish melancholy with aesthetic sadness once again, offering a loyal companion for the upcoming stormy autumn days and dark winter nights.

“She Never Returned” is available for download through all major online stores and the band’s Bandcamp page.
