Something New

Single · 1 March 2024 · Metropolis Records
Genre: Post-Punk / Dream Pop · UPC 196922861932

"Something New" is the first single from Principe Valiente's album "In This Light", released on 1 March 2024 by Metropolis Records.

Together with the second single "Inspired By Me", the song signals the new direction of the current two-man band, adopting a more pop-oriented and direct approach than before - while keeping the ethereal soundscape and dark ambient allure that propelled them onto the alternative scene in 2011.

Mellotrons, samplers and analog synths meet the celestial resonance of Jimmy Ottosson's Rickenbacker 12-string and Gretsch guitars and the distorted driving bass, all enveloped in the enigmatic vocals of singer Fernando Honorato.
